The screenshot shows the PlanetHoster Account Management interface. At the top, there is a header with the PlanetHoster logo and the text "Account Management". Below the header, there are navigation elements: "Filters" and "Actions" dropdown menus, a search bar, and a "Create" button highlighted with a red box. The main content is a table with the following columns: DOMAINS, INFRASTRUCTURE, LOCATION, TYPE, PLATFORM, STATUS, and LOGIN. The table contains 7 rows of domain data.
